## DATA COLLECTED

Data is only collected when a user registers or logs on to an account. Before a user can register for an account, they must agree to this privacy policy as well as the service agreement(s) pertaining to the service to be availed. The ("Company") reserves the right to change this agreement at any time, but will refrain from allowing any user to continue to share data until they have agreed to the updated policy.

### The exact data collected by these services, which are required is:

- ★ User name (user selected handle or alias; collected and public [If user's account is public])
- ★ Email address (collected and private)

*The exact data collected by these services, which are optional is:*

- First and Last name
- Telephone number
- Location related information
- Gender
- Date of birth
- Social media accounts

## DATA PRIVACY

The ("Company") agrees to never sell, share, or divulge the ("Personal Information") of any of its users. The ("Company") agrees to be honest and share with its users in the event of a data leak (or otherwise loss of control over the data collected from the user).
